The main body of the page is a large grid consisting of 7 vertical columns and multiple horizontal rows. The grid is formed by solid vertical lines and horizontal dotted lines. Each cell in the grid is empty, providing space for notes or scheduling. The columns are aligned with the days of the week listed in the header above.

The image shows a weekly calendar grid for the week of March 6th to March 12th, 2023. The grid is divided into seven vertical columns, each representing a day. The header row contains the following text: '3 | 6 MON', '3 | 7 TUE', '3 | 8 WED', '3 | 9 THU', '3 | 10 FRI', '3 | 11 SAT', and '3 | 12 SUN'. The days from Saturday (3 | 11) and Sunday (3 | 12) have a light blue background. Below the header, there are two rows of horizontal dotted lines for notes, each starting with a small black dot in the left margin. The grid is enclosed in a thin black border.

6 | 25 SUN

A weekly calendar grid for week 25 of 2023. The grid consists of seven columns representing the days of the week: Monday (6 | 19), Tuesday (6 | 20), Wednesday (6 | 21), Thursday (6 | 22), Friday (6 | 23), Saturday (6 | 24), and Sunday (6 | 25). Each column is divided into a top header section and a main content section. The header sections are shaded, with the Saturday and Sunday sections being a lighter blue. The main content sections are filled with a light gray dotted grid. A horizontal dotted line is drawn across the grid, starting from the left edge and ending at the right edge. Small black dots are placed at the intersections of the grid lines and the horizontal dotted line. The grid is intended for scheduling and planning.
