OCTOBER

Weekly calendar grid for Oct 7-13, 2024. The grid is divided into seven vertical columns for each day of the week. Each column is approximately 150 units wide and 150 units high. A solid horizontal line is drawn across the entire width of the grid at approximately the 160-unit mark from the top.

A large grid for daily scheduling, spanning the entire width of the page and extending from the 160-unit mark down to the bottom of the page. The grid is approximately 800 units wide and 800 units high. It consists of a fine grid of small squares, with a larger square grid overlaid on top.
